

LAWRENCE BAUTISTA

FRONTEND DEVELOPER

San Pablo City Laguna Philippines | lawrence.bautista007@gmail.com | <https://my-portfolio-wtux.vercel.app/>

PROFESSIONAL SUMMARY

Aspiring Frontend Developer and UI Designer with a strong foundation in modern web technologies and user-centered design. Experienced in developing responsive interfaces through internship training and academic projects, with a focus on usability and creating engaging user experiences.

CORE SKILLS

Programming: Html, Css, Javascript, Tailwind, NextJs, TypeScript, ShadCN

Tools: VSCode, Github, Git, Figma

EXPERIENCE

Frontend/UI Design | Opalus Solutions Inc. | Intern Jan 2026 - Present

- Contributed to the development of a Trucking Management System (TMS) designed to streamline logistics operations, fleet management, delivery scheduling, and business reporting.
- Designed a unified platform to replace fragmented spreadsheets and manual tracking, creating a centralized system to handle live fleet monitoring, automated driver scheduling, fuel tracking, and billing to eliminate operational bottlenecks.
- Collaborated with cross-functional teams to transform business requirements into intuitive user interfaces using Figma, Git, and GitHub.
- Developed responsive and user-friendly interfaces using Next.js, React, TypeScript, Tailwind CSS, and ShadCN UI to enhance usability and accessibility.

Frontend | Rural Health Unit Nagcarlan | Capstone Project Feb 2025 - Jan 2026

- Contributed to the development of the Integrated Inventory Management System (IIMS) for the Nagcarlan Rural Health Unit (RHU), designed to improve inventory tracking, patient record management, and healthcare service delivery.
- Transformed complex healthcare workflows into intuitive and accessible interfaces, reducing reliance on manual record-keeping and improving operational visibility across departments.
- Developed interactive dashboards, inventory monitoring tools, patient management modules, and reporting interfaces that streamlined day-to-day healthcare operations.

EDUCATION

Laguna State Polytechnic University Aug 2022 - June 2026

BS In Information Technology

- Major in Web and Mobile App Development

ADDITIONAL INFORMATION

- Languages:** English, Tagalog

- Certifications:**
